VOLUNTEER EXPERIENCE

GWLRA Development Summer Case Study

May 2023 – August 2023

- A cross-Canada team of 5 interns collaborated on a stimulating project focused on formulating recommendations for amenities, in-suite features, and marketing strategies for an upcoming residential development venture. The culmination of our efforts involved presenting our well-researched findings to a distinguished panel of judges, which included the esteemed development and executive team.

Guest Services Associate – First Alliance Church
